LEGISLATIVE PROGRAM

Mr. ARMEY. Mr. Speaker, I rise to make an important announcement regarding the floor schedule for the rest of today and the balance of the week.

Mr. Speaker, it is very obvious that Members are concerned about the safety regarding making flights home before the arrival of the approaching storm. My office has been in contact with the major airlines flying out of both Reagan and Dulles airports, and they are warning us to expect delays and many cancellations beginning this evening and into tomorrow.

Mr. Speaker, in order to give the Membership the greatest window of opportunity to make flights back to their districts, we are concluding legislative business on the House floor after this next vote.

Mr. Speaker, we are further meeting with key appropriators who will be contacted by the Speaker's office in order for them to use this time to continue their work on the appropriations conference reports.

A notice with next week's legislative agenda will be delivered to all Members' offices later this week, and I wish all my colleagues safe travel home, and of course our prayers will be with all those affected by this hurricane.

The SPEAKER. The question is on the conference report.

Pursuant to clause 10 of rule XX, the yeas and nays are ordered.

The vote was taken by electronic device, and there were—yeas 292, nays 126, not voting 15, as follows:
